EXPERTISE

- Information Security and Governance
- IT Strategic Planning and Education
- IT Risk Management and Governance
- IT Assurance

EXPERIENCE

Jo has over 25 years' experience in the IT field some of which were spent as CIO in the Utilities space, and 18 in the Information Security arena. She underpins her information technology and security background with her qualifications in education and management.

Jo specialises in consulting in information security issues with a particular emphasis on governance in both the commercial and operational areas of businesses. Jo provides strategic advice to organisations across a number of industry sectors including banking and finance, utilities, automotive manufacturing, tertiary education, retail and government.

Jo is the Chair of ISACA's International Professional Influence & Advocacy Committee and past chair of its Leadership Development Committee. She is past president of ISACA's Adelaide Chapter and she has served as a Director on ISACA's international Board of Directors. ISACA is a professional body with some 115,000 members in approximately 200 countries around the world and represents professionals from the IT assurance, governance and information security disciplines.
